## REPARATIONS EXPOSÉ

---

**THE SAN FRANCISCO REPARATIONS FUND IS NOW AN OFFICIAL CITY ORDINANCE CREATED TO DISTRIBUTE REPARATIONS.**

**IT WAS IMPERATIVE TO ACT: FILE A LAWSUIT. PUT A STOP TO THIS NOW.**

On December 23, 2025, Mayor Daniel Lurie quietly signed an ordinance establishing the SF Reparations Fund, a mechanism designed to implement the African American Reparations Advisory Committee's 400-page final report. The plan is rife with violations of civil rights and our constitutional protections via a framework that institutionalizes racial discrimination.

The Reparations Plan includes sweeping race-exclusive benefits—such as \$5 million lump-sum payments, long-term income supplements, debt forgiveness, housing grants, business incentives, educational aid, healthcare priorities, criminal justice reforms, and banking advantages—for qualified Black applicants. It would bankrupt and divide our city.

Reparations explicitly rely on racial classifications and represent a jaw-dropping violation of the Equal Protection Clause of the 14th Amendment, California's Proposition 209, and federal anti-discrimination laws such as Title VI of the Civil Rights Act of 1964. The plan's provisions not only discriminate against non-Black residents but undermine the foundational principle of equal treatment under law. On February 5, 2026, a lawsuit was filed to have the court halt the plan and rule it unconstitutional.

Who created this plan? Who qualifies to receive reparations?
